# PRAYER COVER FOR JEWISH SYNAGOGUES WORLDWIDE

The Lord our God has foretold and promised through his prophets that at the end of days He would remove the veil from the eyes of the Jewish people and reveal to them His Son JESUS (Yeshua) as the Messiah of the Jews. The turning point in God's plan of Salvation has been initiated, and the time has come where the Messiah will start to reveal Himself to the hearts of the Jews.

Our united prayers for the Jews in our countries worldwide undergird God's dealings that they will make contact with the Messiah in order to be saved. This vision that we should pray that the Good News will enter the synagogues was born in Germany. In today's Germany are 99 synagogues, and Jewish community life is flourishing once again.

Usually, the prayer partners assume their responsibility for the prayer-sponsorship by praying for one synagogue in a specific city. Through these prayers the ground is being prepared for the working of the Holy Spirit. In Germany, home-group meetings have started that are attended by Jews; some intercessors go directly into the synagogues in order to pray; and in some synagogues German lessons are being given. As a result more and more relationships between Christians and Jews start to develop.

if you want to do the following:

- if you want to take the responsibility for a prayer sponsorship for a Jewish synagogue in a certain city in your country
- if you want to establish a prayer network in your own nation yourself and coordinate it
- if you want to order our prophetic prayer guideline **"The Awakening of the Messianic congregations - a present miracle"**. The practical prayer units of the prayer guideline are not only a good foundation for individual prayer partners but for pastors and leaders a help as well to establish prayer circles where prayers are being offered for Jewish fellow citizens.
