

Does Disaster Strike America When It Pressures Israel...This Link Will Shock You

And I will bless those who bless you, and the one who curses you I will curse, and all the families of the earth shall be blessed in you.” (Parsha Lech Lecha 12:3)

1. 1991 30 October – The Oslo Accord

President George H. Bush promoted and proudly signed the infamous Oslo Accord at the Madrid Peace Conference on October 30, 1991. The Oslo Accord was labeled a “Land for Peace” accord that demanded Israel award their land to the Palestinian murderers and terrorists in exchange for peace. The perverse Oslo proposition was simple: give us your land and we’ll stop killing you.

1991 31 October – The Next Day – The Perfect Storm hits

A very rare huge storm starting in the north Atlantic, moving east to west (wrong direction for storms to move – although in the Bible, the Holy Spirit and history move east to west). This storm was so unusual and contrary to “mother nature” it was immortalized by the book *The Perfect Storm* by Sebastian Junger and later a popular movie. Amazon says of the book *The Perfect Storm*, “Meteorologists called the storm that hit North America’s eastern seaboard in October 1991 a “perfect storm” because of the rare combination of factors that created it. For everyone else, it was perfect hell. In *The Perfect Storm*, author Sebastian Junger conjures for the reader the meteorological conditions that created the “storm of the century” and the impact the storm had on many of the people caught in it.”

Interesting, one of the first places *The Perfect Storm* hit was Kennebunkport, Maine. Waves over 30 foot demolished the home of guess who – President George H. Bush, the instigator of the Oslo Accord.

2. The Second massive “coincidence”....

1992 23 August

A year later, President Bush literally picked up the pieces from Oslo attempting to rob Israel again. Meeting in Washington D.C. Bush and crew again attempted to “sell” the fictitious Madrid “Land for Peace” agreement.

1992 23 August – Same Day – Hurricane Andrew visits Florida

Hurricane Andrew smashes and crashes into Florida. Andrew causes over \$30 billion in damage while destroying over 180,000 homes. At that time, Andrew was the worst natural disaster ever to hit America.

3. No 3.... another “coincidence”

1994 16 January

President Bill Clinton meets with terrorist and Israel hater Syria’s President Hafez el-Assad in Geneva. They talk about a peace agreement with Israel that includes Israel giving up the Golan Heights.

1994 17 January – less than 24 hours – 6.9 Earthquake rocks California

In less than 24 hours, a powerful 6.9 earthquake rocks Southern California. This mysterious quake, centered in Northridge, is the second most destructive natural disaster to hit the United States, behind Hurricane Andrew.

4. A disaster of another kind, but destructive just the same.... Impeachment.

1998 21 January

Israeli Prime Minister Benjamin Netanyahu meets with President Clinton at the White House and is coldly received. Clinton and Secretary of State Madeleine Albright refuse to have lunch with him.

1998 21 January – the same day – Monica Lewinsky scandal erupts

After Clinton's rejection of Israeli Prime Minister Benjamin Netanyahu, later the very same day, the Monica Lewinsky scandal breaks out, destroying the Clinton presidency and resulting in his impeachment.

5. No. 5.... 1998 28 September

Secretary of State Madeleine Albright finishes the final details of an agreement which requires Israel to surrender 13 percent of Yesha (Judah and Samaria). President Bill Clinton meets with Yasser Arafat and Netanyahu at the White House to finalize another Israel "land for peace" hoodwink. Later, Arafat addresses the United Nations and declares an independent Palestinian state by May 1999.

1998 28 September – Same Day – Hurricane George hits Gulf Coast

Hurricane George blasts the Gulf Coast with 110 mph winds and gusts up to 175 mph. The hurricane hit the coast and stalled until the agreement was finalized and Arafat addressed the UN. Then it hit and caused \$1 billion in damage. At the exact time that Arafat departs the U.S., the storm begins to dissipate.

6. Number Six in the list of "coincidences"...

1998 15 October

Arafat and Netanyahu meet at the Wye River Plantation in Maryland. The talks are scheduled to last five days with the focus on Israel giving up 13 percent of Yesha. The talks are extended and conclude on October 23.

1998 17 October – Two days later – Tornadoes hit Texas

On October 17, heavy storms and tornadoes hit southern Texas. The San Antonio area is deluged with rain. The rain and flooding in Texas continue until October 22 and then subside. The floods ravage 25 percent of Texas and leave over one billion dollars in damage. On October 21, Clinton declares this section of Texas a major disaster area.

7. Number 7 A Financial Disaster...(3rd worst day in financial history)

1998 30 November

Arafat arrives in Washington again to meet with President Clinton to raise money for a Palestinian state with Jerusalem as the capital. A total of 42 other nations were represented in Washington. All the nations agreed to give Arafat \$3 billion in aid. Clinton promised \$400 million, and the European nations \$1.7 billion.

1998 30 November – Same Day – Financial Disaster

The Dow Jones average drops 216 points, and on December 1, the European Market had its third worst day in history. Hundreds of billions of market capitalization were wiped out in the U.S. and Europe.

8. Number 8... "Coincidence"

1998 12 December

President Clinton arrives in the Palestinian-controlled section of Israel to discuss another "land for peace" fiasco.

1998 12 December – Same Day – Clinton impeached

The U.S. House of Representatives vote four articles of impeachment against President Clinton.

9. Number 9 in the list of "Coincidences".

1999 3 May

Yasser Arafat schedules a press conference to announce a Palestinian state with Jerusalem as the capital.

1999 3 May – Same Day – Powerful Storms in Oklahoma and Kansas

The most powerful tornado storm system ever to hit the United States whips through Oklahoma and Kansas. The winds are clocked at 316 mph, the fastest wind speed ever recorded. Arafat postpones his announcement to December 1999 at the request of buddy President Clinton. In his letter to Arafat, Clinton praises and encourages Arafat for his "aspirations for his own land."

10. This is the number 10 "Coincidence"

2001 8 June

President George W. Bush sends Secretary Tenet to Jerusalem to promote his "Roadmap to Peace," the continuation of the failed Oslo Accord.

2001 8 June – Same Day – Tropical Storm Allison hits Texas

Tropical storm Allison hits Texas the home state of President George W. Bush. Allison causes over \$7 billion in damage and closes George Bush Airport for two days. Allison continues for five long days. When Tenet leaves Jerusalem, Allison settles down.

11. 2005 23 August

This was one of the saddest days as I watched and listened to Jews being evicted from their homes in the most beautiful of places....

Gush Katif was paradise. And it was destroyed by those who took it over.

Israel completed the evacuation of the Gaza Strip and gave it to the Palestinians. The Gaza Strip evacuation came directly from President Bush's "Roadmap to Peace."

Destruction was to see another "coincidence"....

This was how one American viewed the storm.....

2005 23 August – the Same Day – Tropical Storm Katrina appears

August 23, a small insignificant tropical storm slowly appeared in the Atlantic below the Bahamas named Katrina. From her beginning meteorologists stated the U.S. had nothing to fear. Katrina packed little punch, plus the computer forecasts kept Katrina calmly corralled in the Atlantic. Defying the computer models, Katrina turned south-east, scraped the south tip of Florida and then with the vengeance of a runaway freight train Katrina took an unexpected turn into the warm Gulf Coast. Meteorologists tracking Katrina's unusual path labeled Katrina one of history's most bizarre hurricanes.

2005 29 August – Hurricane Katrina hits New Orleans

Katrina raced directly toward New Orleans, harnessing deadly strength every moment. Literally recording wind strength "off the scale" On Monday, August 29, the nation watched in horror as deadly Katrina slammed and slaughtered the fragile Gulf Coast. Destructive Katrina left beautiful homes as piles of worthless rubbish. Deadly Katrina tossed bodies like litter along the highway. When Katrina ended her deadly mission America suffered the worst disaster in her storied history. As I saw the thousands of homes destroyed, my mind kept going back to those U.S. ordered bulldozers destroying the Jewish homes in the Gaza Strip. As I saw the thousands and thousands of United States citizens being evacuated from their land, my mind could not keep from remembering the Jewish people crying and literally begging to stay in their land. America found no mercy for the Jewish people. . .

With no mercy. . . Katrina completely "bulldozed" tens of thousands of homes. Katrina completely "evacuated" the celebrated city of New Orleans. Hundreds of thousands are homeless, helpless and hopeless. The greatest displacement of U.S. citizens in history occurred. Over 10,000 people are estimated dead. Over 400,000 jobs were wiped out. President Bush has requested \$50 billion from Congress for the first round of Katrina's expensive bill. Estimates put Katrina's final bill – over \$150 billion.

Most reporters described the aftermath of New Orleans worse than anything they've ever seen.

*Could it possibly be true what is written?
That the Hashem really is watching over HIS own little Land..*

*"They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. . .
So persecute them with thy tempest, and make them afraid with thy storm."
Tehillim 83:4, 15*

April 2010 - ein weiterer Israel-USA-Zusammenhang:

“On April the 19th, Fox News reports that the U.S. will no longer automatically support Israel in the United Nations. The next day, on April the 20th, the Deepwater Horizon oil rig explodes. Coincidence? Or the hand and judgment of God?”
